# OUR GOAL

Making sure that no matter where life takes you, you can find a slice of home.

# PROBLEM VS. SOLUTION

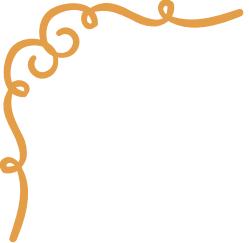

# PROBLEM

## Relocation

In today's fast-paced and interconnected world, economic and social factors often necessitate job and location changes, making relocation a common challenge for many individuals.

# SOLUTIONS

## Jupiter

By providing a personalized list of restaurants that offer familiar food options, your app can help transplant residents feel more at home and reduce the stress and anxiety that often come with relocating to a new city or region.

A photograph showing four people's hands holding up glasses filled with beer, making a toast. They are in a bar setting with a brick wall and warm lighting in the background.
